

joystick_get_direction

```
graph LR; A[joystick_get_direction] --> B[joystick_read]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'joystick_get_direction'. The right box is white with a black border and contains the text 'joystick_read'. A solid blue arrow points from the right side of the left box to the left side of the right box, indicating a directional flow or call.
